

A photograph of the Monadnock Fine Art Gallery storefront. The sign above the entrance features the name 'Monadnock' in a cursive font, followed by a stylized mountain range graphic, and then 'FINE ART GALLERY' in large, gold, serif capital letters. The glass windows display several framed artworks, including a still life with flowers, a landscape with a white building, and various abstract and nature scenes. The interior is warmly lit, and a small potted plant sits on the sidewalk to the right.
